

Boy Scout-Parent CAREER EXPLORATION LAB!

FREE for fifth through ninth grade Boy Scouts and a parent!
Be an engineer for a day

DESIGN AND BUILD A: HOVERCRAFT • CATAPULT • AND MORE!

- Through scientific investigations, this exploration lab will help students improve upon their problem-solving and higher order thinking skills.
- Students learn that modeling, testing, evaluating and modifying are used to transform ideas into practical solutions.
- Students will learn about exciting careers available in the STEM disciplines (Science, Technology, Engineering, Math).

STEM boys are more academically engaged!

STEM boys have higher academic goals!

STEM boys have higher aspirations!

STEM boys overcome obstacles!

STEM boys overcome adversity!
