Sleeping Arrangements

All people that attend camp will be bunking in a canvas tent with a platform bottom. All tents come with two cots and two mattresses. Webelos will be sleeping in a campsite to prepare them for their first experience in Boy Scout camping. Each campsite will have a fire pit, wash station, picnic tables and a dining fly for playing games or resting. A restroom/showering facility is located with 65 yards of the campsite for your use anytime during the day. As always if you would like to bring your own tent that is welcome, but please remember to have a no flame in tent sign. If you have health concerns and cannot sleep in a tent, please reach out to the camp director so other accommodations can be made.
