I was one of the top sellers online in my whole council. I get to go to Cub Adventure Camp for free because I sold so much popcorn. I can't wait to sell again this year, I am going to definitely beat my record from last year!

Step 1:

The first step in the registration process is clicking “REGISTER” in the top right-hand corner.

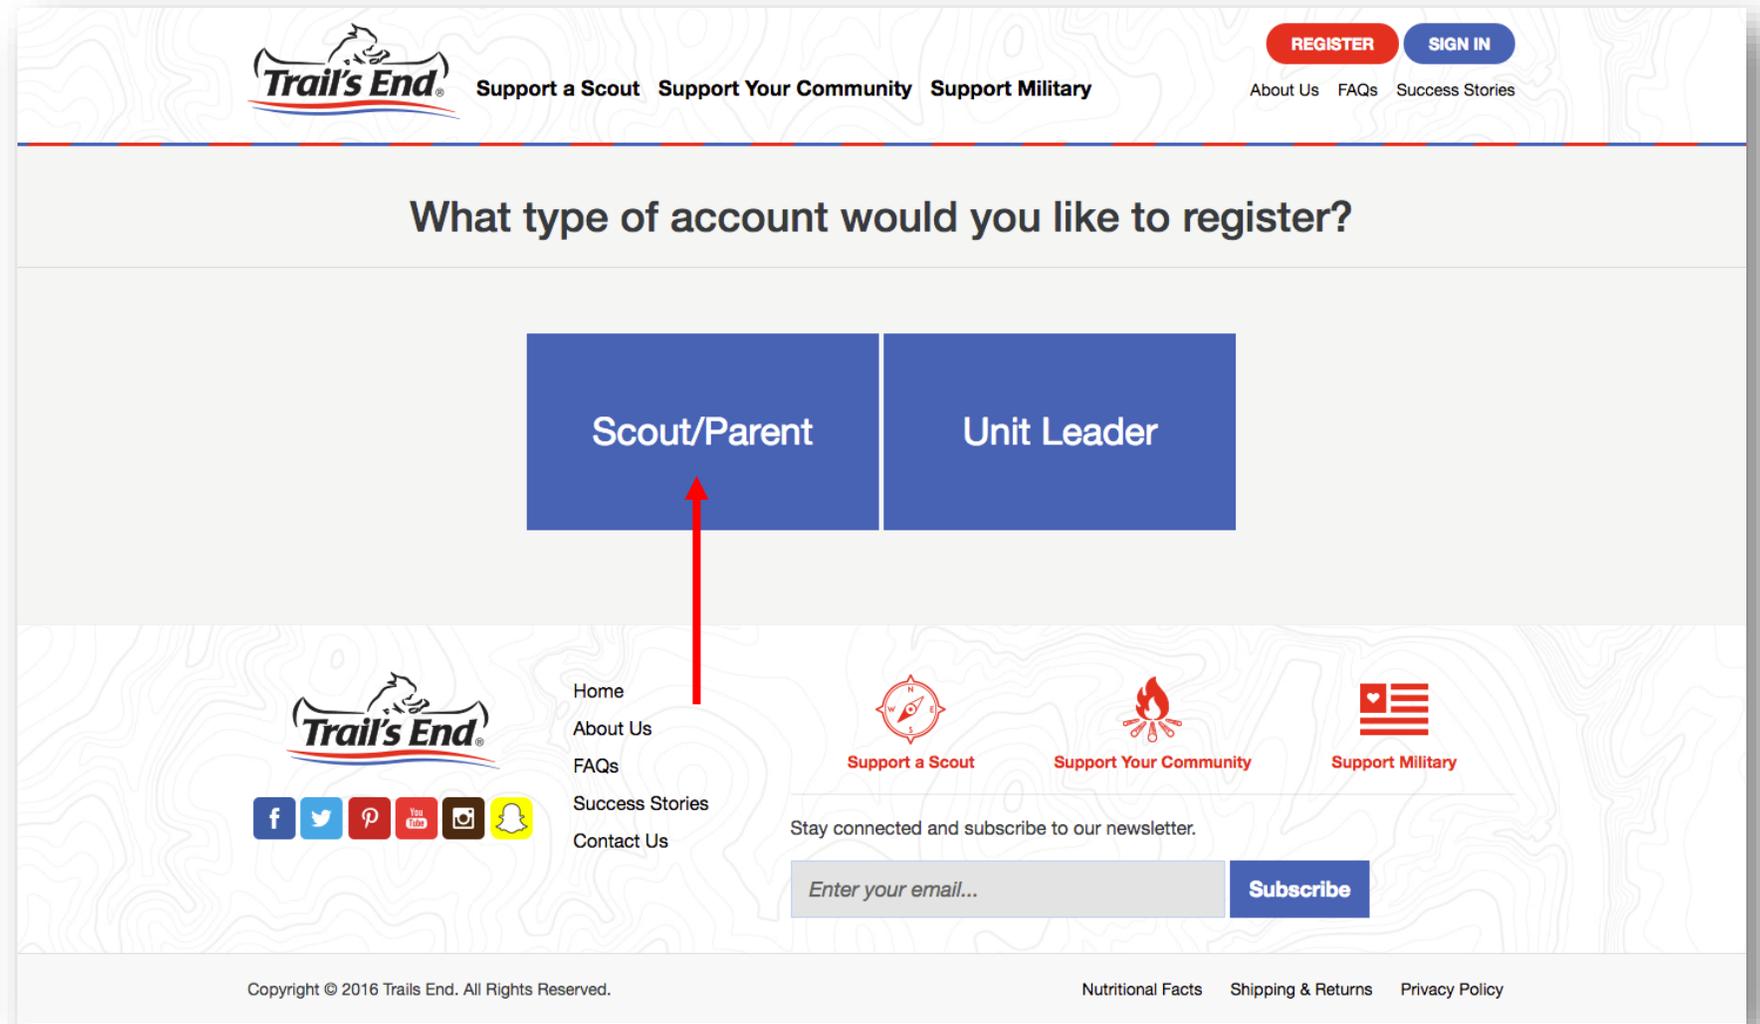

You may also click on the “GET STARTED NOW” button, but that content might change over time.

Step 2:

The second step in the registration process is selecting the type of account you would like to register.
