NEW Youth Protection Training For ALL Volunteers & Parents

This Training replaces the old Youth Protection Training.
Even if you are current in the old Youth Protection Training you **MUST** take the new training before September 30, 2018 to remain registered in your Unit.

How to take the Youth Protection training online:

1. Go to <http://my.scouting.org> , (Recommended Browsers are Google Chrome for the PC or Safari for the MAC). Enter your login name and password.
2. On the Opening page of my.scouting.org, click on the Youth Protection symbol on the righthand side of the home page that looks exactly like the icon at the top righthand side of this page and it will launch the course.
3. Or you can click on the menu button on the top left side of your home page and select *dashboard*. Once your dashboard loads it will have Youth Protection at the top.
4. If you have taken Youth Protection in the past two years it will show you as current; however, your Youth Protection Training **WILL** expire on September 30, 2018 and you will be removed from any Unit Charters if you do not take the **NEW** Youth Protection Course. **EVERYONE** must take the new course.
