Dear Scouters,

I am very excited to inform you that Lakeshore District has been awarded the Journey to Excellence Silver award for the second year in a row. This level of achievement could not be accomplished without the dedicated effort of the District Board Staff, The district Champions, the Commissioners, Unit Serving Executives and of course all of you Scouters who do the work of bringing Scouting to the young men and young women of the District.

Please accept my heartiest congratulations on this glorious achievement. In fact your splendid performance has not come as a surprise because I know that you are dedicated Scouters. Having won this high recognition, we now must maintain our momentum for greater achievement this next year.

My best wishes for a distinguished and bright future.

David E Tubergen
District Commissioner

Dear Lakeshore Scouters,

The role of a District Board and its' volunteer members are to work with the simple goal of supporting units. Specifically, our District Board members are charged with helping to grow membership, direct fund raising initiatives, and to enhance Council program, advancement, and training delivery for Lakeshore units. In the process, District and Council scouters, who attend meetings and gatherings, provide opportunities for informal learning, information sharing, and program problem solving.

Our Lakeshore District continues to be a leader in the Michigan Crossroads Council. The Journey to Excellence standards scouting is measured by each year, provides the necessary feedback on where our District excels, and in what areas improvement can be made. This past year Lakeshore District earned the Silver Level rating for JtE. That is something the District can celebrate, as such a high achievement is accomplished when there is a team of volunteers all focused and working together. This JtE achievement does, however, point out that we have room to improve. The Gold Level of achievement is still out in front of us for the taking. In order to get there we will have to do MORE...

The Michigan Crossroads Council is leading the way to better serve our units, by declaring 2016 the start of "District 365". This is an evolving year-round initiative to provide additional resources and focus at the District level to better serve our scouts and scouters. The Lakeshore District's Board has committed to bring in more volunteer board members, expand opportunities they provide to units, communicate more effectively, and stand ready to serve Lakeshore's scouters!

Age Appropriate Guidelines for Scouting Activities

These criteria are designed to assist unit leaders in determining what activities are age-appropriate. Activities that do not appear on the chart should be reviewed using these criteria. A PDF file is available at: http://www.scouting.org/filestore/pdf/34416_Insert_Web.pdf

Guide to Advancement

Advancement is one of the eight methods used by Scout leaders to help boys fulfill the aims of the BSA. This publication clearly identifies mandated procedures with words such as “must” and “shall.” Where such language is used, no council, committee, district, unit, or individual has the authority to deviate from the procedures covered, without the written permission of the National Advancement Committee. There are limited exceptions relating only to youth members with special needs.

Recommended best practices are offered using words like “should,” while other options and guidelines are indicated with terms such as “may” or “can.” Refer questions on these to your local district or council advancement chairs or staff advisors. They, in turn, may request interpretations and assistance from the National Advancement Committee.

Journey to Excellence Resources

"Scouting's Journey to Excellence" is the BSA's council performance recognition program designed to encourage and reward success and measure the performance of our units, districts, and councils. It is meant to encourage excellence in providing a quality program at all levels of the BSA.

- scouting.org/jte

By using the JtE program all year, not just the program year, units can easily determine which program areas they should focus on to improve and in what program areas they excel. The Michigan Crossroads council strongly recommends that each unit complete a Unit Scorecard for the JtE program and attach it to the annual recharter document.

Unit Scorecards and Excel Workbooks are located at www.scouting.org/jte

Unit Scorecards are the criteria and descriptions of the JtE breakpoints and how to calculate points.

There is a scorecard for each unit type.

District Award of Merit Recipients

The District Award of Merit is awarded by a District to a registered Scouter for service to youth in the District. Normally, the award is presented for service to youth in excess of five years.

- Candidates must be nominated, not self-nominated.
- A nominee must be a registered Scouter.
- A nominee must have rendered noteworthy service to youth in Scouting, outside of Scouting, or both.
Note: The nature and value of 'noteworthy service to youth' may consist of a single plan or decisions that contributed vitally to the lives of large numbers of youth or it may have been given to a small group over an extended period of time.
- Consideration must be given to the nominee's Scouting position and the corresponding opportunity to render outstanding service beyond the expectations of that Scouting position.

The nominee's attitude toward and cooperation with the district, division, and/or council is to be taken into consideration.

District Silver Beaver Recipients

The Silver Beaver Award, established in 1931, is the council-level distinguished service award of the Boy Scouts of America. Recipients of this award are registered adult leaders who have made an impact on the lives of youth through service given to the council. The Silver Beaver is an award given to those who implement the Scouting program and perform community service through hard work, self sacrifice, dedication, and many years of service. The number of awards are bestowed on the basis of the number of registered units in a council.

District Silver Antelope Recipients

The Silver Antelope Award, established in 1942, is the regional-level distinguished service award of the Boy Scouts of America and recognizes outstanding service to young people within one of the four regions of the BSA. The award is made by the National Court of Honor and the recipient must be a registered adult member of the Boy Scouts of America. The number of awards bestowed is based upon the number of registered volunteers in a region.
