

Post Summer Camp, Blue Cards So, What now?

There have been many questions related to the idea of What Now? What resources are available to me as a unit leader now that Summer Camp is over? How do I get copies of the Merit Badges earned by the youth in my unit?

The registration system and all of the data are still available. The registration for Summer Camp is still available to you.

1.) Access the unit Registration. There are several ways:

- a. In your browser, navigate to <http://michiganscouting.org> then hover over Activities and Calendar. Select the second choice "Access Existing Event Registration"

Click on that link. You will be directed to the dialog box that asks for your registration number and email address (the email address use to make the registration).

A screenshot of a "Lookup Registration" dialog box. It has a title bar with "Lookup Registration" and a close button (X). Below the title bar are two input fields: "Email Address:" and "Registration Number:". A "Login" button is located at the bottom right of the dialog box.

Enter the required

data and you will be taken to your registration.

- b. When the registration was made, you would have received a confirmation email which has a link for direct access to the registration.

Now that you have accessed the registration, you will see in the upper right corner, a link for Reporting.

This page will have the following reports available to you for seven years.
