Hawk Hollow Golf Course

Your participation in this event directly impacts a community inclusion program for high risk youth in the Lansing area called ScoutReach. This program serves more than 250 of Lansing's urban youth to share in the merits of traditional Scouting. Mentors prepare their Scouts to be responsible citizens while learning about principles and causes beyond themselves. Your support helps build self esteem, core values and character development in our children.

If you have questions or would like more information about the Distinguished Citizen Awards Gala, please contact Marilyn Costigan at 810-691-3361 or send her an email at marilyn.costigan@scouting.org.
