BOY SCOUTS OF AMERICA
MICHIGAN CROSSROADS COUNCIL
WELCOME HOME!

We, the Gerber Scout Reservation Camp Staff, are dedicated to providing our customers and guests a LEGENDARY SCOUT CAMP EXPERIENCE while participating in our life-enhancing year-round camp programs! We are committed to providing facilities, programs, and camp leadership that will consistently exceed the expectations of our customers and guests. Our Michigan Scout Camps will be safe havens for experiencing the best of the adventures and values of the Boy Scouts of America.

*A LEGENDARY SCOUT CAMP EXPERIENCE is defined and measured when a Resident Camp’s culminative score of its LEADER EVALUATIONS MATRIX EXCEEDS 95% for overall camp service.*
The first permanent Boy Scout summer camp for Muskegon area Scouts was on Big Blue Lake on property owned by the Muskegon Children’s Home and began operation in 1921. This camp was operated under the name of Camp Merritt, (first Scout Executive, Eagle Scout Merritt Lamb,) until 1950 and was located on Fruitvale Road in the area now occupied by Pioneer Trails Camp.

In 1949, the Timber Trails Council established a committee to study the need for a larger site for the Boy Scout summer camp operations. In 1950, President, Earle L. Johnson announced the acquisition of 80 acres on Britton Lake in Blue Lake Township for $8,000. This only included the northern portion of the current lake as the other part was owned by Owasippe Scout Reservation from Chicago but was not in use. Although the Council lacked the funds to make the purchase, Mr. Johnson as Vice President for Gerber Products in Fremont, personally arranged for financing until the funds could be raised. Daniel Gerber, President of the famous baby food company, as a strong supporter of the Boy Scouts of America, donated 275 shares of his company stock that covered the purchase price and an additional $1,500 for future improvements.

This new Boy Scout camp opening on Sunday, July 2, 1950 and served 241 Scouts during the three one-week sessions under the name of Camp Britton. On June 3, 1951, a permanent dining hall with a capacity of 250 Scouts was dedicated as the Evans Lodge, and has been in continuous service since that date. During this same time frame, the camp ranger home (next to the shop) and Tryon Lodge were constructed. This was followed by Deyman Lodge (current reservation office) in 1957. A significant council capital improvement project was undertaken in 1964 to enlarge the Evans Dining Hall with a heated office and trading post. With additionally the construction of Earl Johnson Lodge, the Order of the Arrow Building (now the enlarged Chaffee Bunkhouse,) and the Wakefield Lodge that currently serves as the ranger home.

Gerber Scout Camp operated mostly unchanged until June 1997 when the 500 person Merrill Dining Hall was dedicated. This facility was used until it collapsed under snow load on December 24, 2008. In 2009, Gerber Scout Camp, operated under a temporary circus tent while the new Centennial Dining Hall was constructed, which opened in 2010 (celebrating the 100th anniversary of the Boy Scouts of America,) and has a capacity of 700 people. Additional facilities added during this timeframe include the relocated Rifle and Archery ranges, four new staff cabins, a staff shower house, climbing tower and COPE course.

The construction of the Merrill Dining Hall allowed the Evans Dining Hall to support the newly opened Cub Scout and Webelos Adventureland in 1998. This program began by converting the previous family camp area into the new Steelcase Tent Village, and the construction of Fort Akela, Babe the Blue Ox, Pirates Cove, Huck Finn rafts, and Crocketts Challenge as new Cub Scout program areas. This was further supplemented with the Treehouses, Tipis, Covered Wagons, Pirate Ship, Fort Clatsop, and the Brown Family Whistle Stop pavilion over the next few years. The Cub Scout Adventureland was dedicated as Betty Ford Adventureland in a 2013 ceremony.

In 2010, The DeVos Family Venturing Base was opened consisting of a central dining pavilion and three year-round cabins. Following the consolidation of all of the Scout Camps to the Michigan Crossroads Council, the DeVos Base now supports year round unit programs and the summer staff.

**Fort Clatsop**

This area takes you back to the time of the Louisiana purchase. Go on an adventure in the reconstructed fort like the one Lewis and Clark built on their expedition. Our Fort Clatsop is one of the last standing replicas today. When partnered with a slingshot range it makes the area a fun and educational award winning experience.

---

**Wagons On**

Ever wanted to see a full size covered wagon similar to that of the Oregon Trail? if so this is the place for you. Here we play fun field games that can wear anyone out. But be sure to drink water because it is hot, hot, hot, out in this area.

---

**Babe the Blue Ox**

On top of a tall hill lies the Great Blue Ox. Beneath her is a bouldering area along with other climbing challenges. With well-trained and supervising staff, campers will learn the basics of bouldering, spotting, climbing, and having a blast. This one is a favorite amongst Webelos Scouts.
Imagine, the sound of cannon fire as dodgeballs wiz past you! That is exactly what kind of activity happens at the lost ship in the middle of the woods. Scouts play dodgeball, games, and in the evenings host our firebowls which are the funniest thing you’ve ever seen this side of the lake.

What’s better than being at the beach with your friends? Here at Pirates Cove we want to provide you with a nice laid-back sand, sun, and water filled experience. Here we have plenty of beach toys, water inflatables, and trained supervision make sure that your aquatic experience is an enjoyable one. And since it is a non-swimmers area all throughout you do not need to take a swim test upon arrival!

Do you think you could live up to being a better shot than Davy Crockett himself? If so you will have a blast at this area. Here we have air powered BB guns along with an archery range that includes adult and youth bows. If you’re the king of the wild frontier you will be able to show your skills here.
Gone fish’n! This beautiful area is all about fishing, boating, and spending time on Betty Ford Adventureland’s own secluded lake; Little Britain. It is a thriving habitat filled with fish, crawdads, turtles, frogs, and an abundant amount of plant life including water lilies. A very relaxed oasis amongst a high-energy program.

Deep in the back woods sits a set of tree houses. The journey, while at this area, will be packed with fun and adventure. They will explore nature, the environment and science projects. Be ready for checking out snakes, turtles, frogs and more. Our team is excited to discover more on this adventure.

A magnificent fort built on top of the hill, is just one way that you can describe Fort Akela. On top you can overlook all of Lake Britain and see all kinds of boats. During a hot day, what better way to cool off at the fort then with a sponge ball war. A fantastic battle of flinging water soaked sponge balls and sieging a castle is only one of the many fun things to be done here.
A secret land not on the maps. Uncharted lands is a real curveball, you never really know what you’ll get. But one thing’s for sure while you’re there, you are surrounded entirely by nature, and what’s better than that?

Scouts and twelve year-olds will experience a grand firebowl after dinner when they arrive and before they leave. The staff has prepared new and entertaining skits, songs, cheers, and recognition for the campers. Your Pack will remember this experience for years to come.

All of the Packs spend their time in small groups similar to dens, called color groups, which are led by Super Den-Chiefs. Betty Ford Adventureland’s program is designed for you and your Scouts to have a fun experience and to acquire the skills that you will use outside of camp. We like to use the phrase “Fun with a Purpose!” We create a system that guides you from area to area that takes you to every program that we offer. No need to worry about signing up for anything as our Super Den-Chief will do that for you.
The Cub Scout Adventureland resident camping programs are geared specifically for those who have completed first grade and are going to second grade in the fall, as well as current second graders who will be in the third grade in the fall. Please be sure you read through all of this information to better prepare you and your Cub Scouts for the best possible experience they can have at camp. In the spring, sign up Tigers and have them attend Cub Scout Adventureland! Scouts must be at least Six to attend. Nine and Ten year old Scouts should attend Webelos Adventureland.

* A Tiger Adult Partner must attend with their Tiger Scout.

The Webelos Adventureland camping programs offered are specifically geared for those Scouts who are currently in third grade, and will be in the fourth grade in the fall, as well as those Scouts who are in fourth grade and are going into fifth grade in the fall. All current fifth grade Scouts who will be going to sixth grade in the fall, should be talking with a Scouts BSA Troop about their 2019 summer camp plans at Gerber Scout Camp. Please be sure you read through all of the information to better prepare you and your Webelos for the best possible experience this summer!
Summer Camp Program Areas

There will be activities for Arrow of Light Scouts and their adult leaders only on both the 2nd and 3rd nights that you attend Betty Ford Adventureland. These opportunities are designed exclusively for Arrow of Light Scouts and their leaders; therefore, Webelos Scouts will not be permitted to take part in these programs and will have other activities to participate in. Scouts must be at least nine years old to attend Webelos Adventureland.

The Super Den-Chiefs are members of the staff who will be with the color groups for their entire stay at Betty Ford Adventureland. They will help make your stay the best it could possibly be by singing camp songs, playing games and helping you get from area to area. They are knowledgeable about both Gerber Scout Camp and Betty Ford Adventureland. The “Twelve Year Old Scouts” are all parents and leaders attending camp. We want them to get the same experience and the desire to participate as their Scouts.

All Scouts and adult leaders staying in camp are provided with wall tents, wooden platforms, and metal cots with mattresses. Each Pack will be together in nearby tents, with five Scouts to a tent. Parents and Scouts will be in separate tents close to each other. Male and female adults will sleep in separate tents, unless married. Tent Village has picnic tables, dining flies and a leader’s lounge. There are shower facilities in Tent Village for men, women and youth.

Thank you Steelcase Foundation for providing our super Tent Village!

Near the campsites are hot showers that are for Scouts and adults to use. Because of youth protection guidelines, there will be a shower schedule posted that must be adhered to at all times.

Tent Village has flush toilets and there are several restrooms throughout camp. Evans dining hall has additional bathroom facilities for everyone’s use. Bathroom’s throughout camp are MOM approved and for your convenience.

Frequently Asked Questions

Q. Does a parent have to come to camp with their Scout?

No, but there needs to be proper supervision for the Scouts going. The one exception is Tiger Cubs. Tiger Cubs need to have an adult partner with them at all times. As stated in the BSA National Camp Standards (HS-502): The minimum leadership requirements for any Cub Scout unit attending resident camp is a ratio of two adults to a maximum of eight boys and one additional adult for each four boys (or part thereof). Therefore: • 1 Scout : 1 Adult Leader (Parent/Guardian) • 3 Scouts : 2 Adults • 6 Scouts : 2 Adults • 9 Scouts : 3 Adults • 15 Scouts : 4 Adults • 16 Scouts : 4 Adults etc.

Q. What paperwork is required to attend Camp?

Youth attending must:
• Be a registered member with the Boy Scouts of America.
• Bring to Camp a BSA Annual Health and Medical Record Parts A and B.

ALL Adults attending must:
• Bring to Camp a Copy of their Central Registry Clearance Letter that they have attained from the State of Michigan Department of Human Services (https://michiganscouting.org/wp-content/uploads/2015/07/Central-Registry-Clearance-Request-Instructions-2016-v3.pdf)
• BSA Annual Health and Medical Record Parts A and B (https://filestore.scouting.org/filestore/HealthSafety/pdf/680-001_ABC.pdf)
• If an adult attending camp is supervising any youth other than their own, they need to be a registered leader with the Boy Scouts of America.

All Required Paperwork can be found on the Cub Scout Camps Forms and Resources page on the Michigan Crossroads Council Website – https://michiganscouting.org/outdooradventures/forms/

All Paperwork should be collected, organized, and double checked by Pack leadership for each person attending camp by June 15th.

Per the State of Michigan: Please be advised, we have received a clarification of the State of MI / Camp Licensing Regulations which deal with BSA Annual Health and Medical Record. Please make sure to bring a PHOTOCOPY of their BSA Annual Health and Medical Record this summer as we are required to keep this form for a period of three years.

BSA Annual Health and Medical Record: https://filestore.scouting.org/filestore/HealthSafety/pdf/680-001_ABC.pdf

Q. Isn’t a Criminal Background Check and the State of Michigan Central Registry Clearance the same background check?

No. Criminal background checks show only convictions. Central Registry Clearances check a database of any allegations brought up against an individual. They are two different checks.

Q. What kind of facilities will we be using at camp?

Betty Ford Adventureland has: tents, cots, mattresses, campsite restrooms, individual showers, running water, dining hall, trading post, medical facilities, pavilions, etc. Our Scout Camps are designed to provide a comfortable experience for the most novice of campers but also will challenge those who have a passion for the outdoors. All camps have a trading post that will stock some general necessities as well as camp t-shirts, candy, drinks etc., so bring your wallets!

Q. What do I need to bring to camp?

In this guidebook is a list of items to bring. Please ask your Pack leadership for details regarding further questions about camp needs. There is a Packing List also on our website:
Frequently Asked Questions

Q. Can adults bring cell phones?
Yes, but the cell phone reception in camp is not always the best. There is currently spotty reception throughout most of camp. If you are accustomed to using your cell phone for multiple uses, you should be aware that cell phone batteries often discharge faster at camp than other locations as the phones try to acquire a signal.

Q. Can we drive gear to our campsite?
When you arrive at camp, our staff will greet you and help you get your gear to the location we call “Tent Village.” We use small wagons that the Scout, parent, or leader can load up and pull to their campsite. The walk is not very far from the parking lot and truly adds to the summer camp experience.

Q. Can we share a campsite with another Pack?
You will be sharing a large campsite with multiple other dens and Packs. Our staff will have already paired your group or Scout in with an assigned color group. Each color group will be assigned a Super Den-Chief who will be your guide throughout your stay at camp.

Q. Can we have guests visit us at camp?
Daytime guests are welcome to visit camp. Please ask them to check in at the camp office and pay for meals if needed. Please have them check out when leaving at the camp office.

Q. Can siblings come to camp with their brother? What about other youth?
Camp is restricted to registered Scouts only. National standards do not allow siblings or non-registered youth to stay at an overnight resident camp. We would encourage you to help them consider joining the Scouting program with you and become a Scout. They may make a daytime visit but may not stay overnight.

Q. So what happens at check in?
And why does the entire Pack check in at the same time?
Check in is simply the time when we account for the Scouts and adults, issue wristbands and campsites, and verify that all of the paperwork is in order. Once your Pack has completely arrived, you can check in. The entire Pack checks in at the same time, to make sure all adults and leaders are in attendance, and to save time for everyone.

Q. Will I be given a tour of camp?
One of our Super Den-Chiefs will give you and your group a brief informative tour of Camp, culminating in showing you where your campsite is. After this tour, you can set up your campsite, and get ready for the afternoon activities. You will be invited by a staffer to join the activities at the appropriate time. We open with a flag ceremony on the parade field. Please have your Scouts be there promptly and in full uniform. Dinner will be served at 6 p.m. At 8 p.m. there will be a campfire in the Camp Firebowl. A Super Den-Chief will pick you up at the entrance to your campsite at 7:45 p.m.

Q. When do we use the buddy system?
The buddy system works for your entire stay at camp. Your Scouts must go with a buddy wherever they go. Devise some kind of a check-in plan so that you can account for your Scouts at all times.
Frequently Asked Questions

Q. Do we need to bring any food?

No. The dining hall will have Scout friendly food served buffet style for all meals. The Trading Post carries juice bars, snacks and beverages. Coffee is available early in the morning for all adults who can’t live without it. Please be careful with any food in your campsites, we have a lot of cute four legged creatures who might come and visit you during the night.

Q. I need a shower – what’s the schedule?

Near the campsites are hot showers that are for Scouts and adults to use. Because of youth protection guidelines, there will be a shower schedule posted that must be adhered to at all times.

Q. What about toilet facilities?

In the campsites there are flush toilets and several campsite restrooms. Near the dining hall are additional bathroom facilities for everyone’s use. There are restrooms throughout camp for your convenience.

Q. How safe is camp?

We strive to offer activities that are fun for Cub Scouts/Webelos Scouts and provide advancement opportunities. All program areas will be appropriate to the age of the Scouts. It is the responsibility of all staff and adults to maintain a safe environment. Our Camp must adhere to all State and National BSA Health and Safety Standards which includes staff training in CPR, First Aid, Weather Hazards and Youth Protection. All staff, campers and visitors will either be wearing name badges or have a wristband that shows they are checked in at camp.

Q. Can we have campfires?

Yes, depending upon the fire danger. On the first evening, the camp staff will conduct an opening campfire program. A variety of campfire programs and activities will take place during the week. Downed wood around camp may be used for your fires. Campsite campfires are permitted in the designed fire rings in the campsites. We remind you that adults must be watching at all times to ensure the safety of the campfires. Please do not allow Scouts to poke at the fire with sticks. Remember what goes in the fire stays in the fire. Make sure your water buckets are filled, and use common sense when adding wood to the fire. Bonfires and unsafe fire practices do not teach our Scouts good outdoor ideals.

Q. Who is staff, anyway?

Betty Ford Adventureland is led by a selected group of highly qualified and trained staff, both male and female, all of whom are registered with the Boy Scouts of America. The staff’s primary aim is to assist leaders in making their program effective in the lives of Scouts by helping them to make all dens stronger as a result of their camping experience. The Betty Ford Adventureland program allows leaders to guide their den and pack through activities that will help strengthen the Cub Scout program and help prepare the Scouts for their transition into Scouts BSA. The staff provides instruction in field sports, personal fitness, handicraft, outdoor skills and nature.

Q. My son and I need to leave camp a day early. What do we do?

If a Scout needs to leave camp early, their guardian or an approved person designated on their health form by a guardian, must fill out a Scout Release Request. These can be downloaded in advance and filled out before coming to camp. They are also available from the Office. All Scout releases must be done in person at the Office or Health Lodge if after normal hours. The approved person must have a photo ID and the form must be completely filled out before the Scout can leave the property. If a Scout leaves the property and this form is not on file the Police will be contacted to verify that the Scout is safe and with a guardian.

Q. How do we check out?

Following breakfast on the morning of check out or prior to the Firebowl, pack personal equipment and pick-up trash throughout campsite. Please leave your campsite cleaner than you found it. Place equipment needing to be transported in wagons that are located near the parking lot. When the campsite is ready to be inspected, send a representative to notify your Super Den-Chief who will inspect your campsite. After the campsite has passed inspection, Scouts will be allowed to leave.
Frequently Asked Questions

Q. Some of my Scouts cannot afford to go to camp, is there financial assistance available?

There are many different ways to help raise funds for camp. First, many Packs (based on what history tells us) have some popcorn left over from the fall popcorn sale. Check with your Pack to see if you can sell some of the remaining stock. Also we have Camperships that are offered by your Field Service Council. Campership info can be found on the MCC website. https://michiganscouting.org/outdoor_adventures/camperships/

Q. What advancements will my Scout earn at camp?

Our goal for Cub and Webelos Camps is to provide the Scouts with fun adventure and challenging activities. We would like the Scouts to enjoy the outdoor setting they will have around them without the pressures of advancement goals. At the end of our stay you will receive a check out packet that will include advancements that your Scouts may have earned while at camp.

Q. What is expected of parents/adults while at camp?

For many Scouts, this is their first time away from home. Listen and watch each camper closely to ensure the physical and emotional well-being of the scouts. Watch that they are eating properly and drinking plenty of water. Be prepared for homesickness. Young campers should not be encouraged to call home. This generally makes matters worse. Please let the Cub Pack Leadership and/or Camp Staff know of any potential homesickness or other problems. The parents are expected to participate in the activities throughout the day. There will be camp staff that will run each activity, but we ask the parents to engage in the activities with their scouts wherever possible for a full family experience.

Q. Is food provided? What about food allergies? Are there special meals for those who need a specific diet?

Yes, we provide all meals but not snacks. Below is a form to send us about your food allergy, whether it be allergic to nuts or a gluten free diet. If your dietary need is beyond what we can provide we will work with you on a person to person basis to make sure your stay is the best. Please know that we cannot provide you with what is needed unless we know before June 1st.

Special Dietary Request Form: https://michiganscouting.org/outdooradventures-summer-camp-dietary-restriction-notification/

Q. It all sounds great, how do I sign up?

Step one would be to talk to your Cub Scout Pack Leadership to see if the Pack is already sending a contingent or two to camp. If so, sign up through them. For the odd chance your Pack is not attending Camp already, this is a great time to talk about the option and make it a part of the Pack’s plan for the summer. Visit https://michiganscouting.org/outdooradventures/cub-scout-summer-camp/ to sign up.
Summer Camp Outcomes Study

Scouts indicate that summer camp is more than just a place to have fun. It also offers Scouts the opportunity to participate in physically and intellectually challenging activities, introduces them to new and rewarding experiences and provides them with supportive and caring relationships. This study infers that positive outcomes of Scout summer camp occur because the environment and activities at camp incorporate all of the elements of healthy youth development.

- **Strong Personal Values and Character:** Reflective and thought-provoking activities are one avenue through which summer camp helps build strong values and character.
- **Positive Sense of Self-Worth and Usefulness:** Summer camp helps to instill a positive sense of self-worth and usefulness in young people by providing them with service opportunities, as well as positive peer-to-peer and intergenerational communications. In addition, summer camp helps to build young people’s leadership skills, confidence and self-esteem.
- **Caring and Nurturing Relationships With Parents, Other Adults, and Peers:** Summer camp builds caring and nurturing relationships by engaging young people in group activities with both peers and adults. And for a majority of Scouts, strong bonds of friendship are developed at summer camp.
- **A Desire to Learn:** Summer camp inspires young people to think about nature and consider the environment.
- **Productive and Creative Use of Time:** Summer camp provides young people with productive and creative uses for their time by offering a valuable mix of both physical and intellectual activities.
- **Social Adeptness:** Summer camp helps young people to become more socially adept by offering them opportunities to participate in and contribute to team-building activities.

**Core Values In Cub Scouting, Camping and Our Values:**
- Citizenship
- Health and fitness
- Respect
- Compassion
- Honesty

Evans Dining Hall Procedures

All dining tables are assigned to color groups. The dining hall staff are ready to assist any Scout, parent, or Leader with any questions or needs they have. Prior to mealtime, color groups assemble at the Camp Flag Field and after flags they are dismissed to the dining hall by color group. All Scouts and leaders must remain in the dining hall until they dismissed. There are great programs before or after each meal! The Scout uniform is expected to be worn by each Scout and leader for dinner. Leaders are encouraged to help remove trash from the tables and clean their table with a wet towel. We encourage you to invite the staff to sit with your Scouts at all meals.

Check-In Procedures

Check-in process starts at 2:00 pm. When you arrive you will be greeted by your Super Den-Chief, a fun, experienced and well-trained camp staff guide that will lead you along your adventure and stay with us. Each pack will be separated into different color groups. Each group will visit with our Business Manager to make sure all who is arriving from a Pack has the proper paperwork and fees paid in full. Your Super Den-Chief will escort the Pack to Tent Village where are you will unpack your Scouts gear. There are two campsite areas for Tent Village, a upper and lower campsite area. These are typically assigned before you arrive at camp. Once everyone is unpacked, your Super Den-Chief will gather your color group and go to one of four separate check-in processes. There is no defined order for these four check-in steps. Your color group will visit with the Health Officer to perform a health check (be sure to have all the necessary paperwork). You will also be going to another station to make your identification name tags totems. You will be lead on a small tour of the island (camp property and program areas). After that it’s all done there will be some downtime until an all adult leaders are expected to be at Leaders Meeting at 4:30pm under the canopy of the Upper Tent Village. We will be going over camp policies, schedule and what to expect while you are here. During the meeting Scouts will be supervised by our staff. After the meeting there will be a small amount of downtime before everyone is scheduled to head to dinner.

BSA Resident Camp Registration Fees

For Resident Camp registrations the cancellation fee is based on 15% of the total event registration fee and not the amount of fees paid at the time of cancellation. Alternately, camp fees may be transferred to another Scout or leader attending. The registered participant has an illness or physical ailment preventing participation in the event and has a signed statement from a medical doctor or health care practitioner. The written order must be provided to the Michigan Crossroads Council, 137 S. Marketplace Blvd., Lansing, MI 48917. In the event of the death of an immediate family member (parent, grandparent, brother, sister or anyone else living in the house with the participant). The Council will consider other deaths, which may affect the participant, on a case-by-case basis. Only an employee of the Michigan Crossroads Council may authorize a refund for a Council sponsored event. Any refund of monies for the event is then based on the total event registration fee at the time of cancellation minus the deposit and any money sent to another agency or company for the event. The remaining money is refundable as long as the participant meets the above requirements. Any money that has been sent to another agency or company is considered issued and not refundable. Any event that does not have a deposit, but has an event fee, will be assessed a 15% service charge before any refund is issued. All remaining money is refundable. Again, the participant must meet the above requirements. Processing these refunds for summer camp may not take place until after the camping season due to the review process. Once approved please allow 30 days for the refund to be processed. Any/all refund requests must be made within 30 days of the event date. Deposits are not refundable. Any cancellation, once the deposit has been sent to the Council, will be forfeited. Deposits may, however, be transferable to another participant that takes the entire slot for that event. The Campership application process is something Unit Leadership (Committee Chairs, Camping Coordinators, Cubmasters, Scoutmasters, Crew Advisers, etc.) should be helping families with. Using this worksheet for EACH applicant before Unit Leadership enters the information into the MCC website is crucial.

To be eligible, the following guidelines must be met by the youth applicant:

• Registered within the Michigan Crossroads Council and in good standing for at least 30 days prior to completing an application.
• Youth attending a Michigan Crossroads Council operated Summer Camp (Day Camp, Cub Scout Resident Camp, Webelos Resident Camp, or Scouts BSA Resident Camp)
• Youth attending an Official Field Service Council, District, Area or National Training Conference, i.e. NYLT (National Youth Leader Training)
• Recommended by his/her Unit Leader (Committee Chair, Cubmaster, Scoutmaster, or Advisor) and Parent/Guardian. When a Unit Leader enters the information into the Michigan Crossroads Council website it is their responsibility to ensure all parties are in agreement with the information provided.

In keeping with the philosophy of “pay your own way”, each youth should pay a portion of the fee. Camperships are awarded based primarily on need. The more information the campership committee has about the Scout’s particular need, the better. The Field Service Council also reserves the right to consider the unit’s participation in Council administered product sales as demonstrating a concerted effort to raise these funds. The family and unit should also contribute to the cost of the camp experience. Camperships awarded will not exceed 50% of the event fee.

Applying for campership aid must be done online via the Michigan Crossroads Council Website at: https://michiganscouting.org/outdoor_adventures/camperships/ by APRIL 1st to allow time for review, allocation, and notification. Cub Scouts have until June 30. If approved, the campership amount will be sent to the camp or to the National Conference when registration of the individual is confirmed. Fees will be credited as camp payment in the Scout’s name within the Michigan Crossroads Council Summer Camp Reservations portion of its website. The campership is to a specific individual and is not transferable to other youth.

1. Apply online separately for each Scout needing assistance. All information requested on this WORKSHEET is needed when applying online.
2. Assistance will be considered based on need and the youth’s unit’s support of the mission of the Michigan Crossroads Council including participation in the Friends of Scouting Campaign and Popcorn Sale.
3. All requests must be submitted online by APRIL 1st for Scouts BSA. Cub Scouts have until June 30. All campership applications submitted on time will be considered based on the financial need of the Scout in relation to the other applications received and available funds. Any campership applications received after June 30 will only be considered if there are funds remaining.
4. Your request will be reviewed by committee within the Field Service Council the applicant is registered in. Campership awards and information is confidential and will not be shared outside of the campership committee.
5. After review notification will be done by the Field Service Council to the Campership Recipient’s family and Unit Leadership including the assistance decision.
6. Assistance funds will be credited to each Scout when they attend the event they applied for. Funds are only usable by the individual whom the assistance was granted.
7. Completeness of the information when applying online will help determine campership allocations.
8. Scouts are only eligible to receive one form of financial assistance.
Campership

Thifty: A Scout works to pay his own way and help others. He saves for the future. He protects and conserves natural resources. He carefully uses time and property.

2-Deep Leadership and Youth Protection -

The Boy Scouts of America believes that its top priority is to protect the safety of children. The BSA has developed “Barriers to Abuse Within Scouting” that create safer environments for young people involved in Scouting activities. All Scout leaders must comply with these policies. Violations of these policies put Scouts at risk and will result in disciplinary action, including expulsion from camp and revocation of membership. All camp staff members are required to understand these policies and report any suspected violations as directed by the Camp Director.

Two-deep leadership on all outings required. A minimum of two registered adult leaders, or one registered leader and a participating Scout’s parent, or another adult is required for all trips and outings. One of these adults must be 21 years of age or older.

Adult Supervision/Coed Activities: Male and female adult leaders must be present for all overnight coed Scouting trips and outings, even those including parent and child. Both male and female adult leaders must be 21 years of age or older, and one must be a registered member of the BSA.

One-on-one contact between adults and youth members is prohibited.

Two-deep leadership and no one-on-one contact between adults and youth members includes digital communication. Leaders may not have one-on-one private online communications or engage one-on-one in other digital activities (games, social media, etc.) with youth members. Leaders should copy a parent and another leader in digital and online communication, ensuring no one-on-one contact exists in text, social media, or other forms of online or digital communication.

Michigan Crossroads Council and the Boy Scouts of America are committed to providing a safe, healthy and productive camp and camping experience. Accordingly, the possession or use of, or being under the influence of, alcohol or illegal drugs (as classified under federal, state or local laws), including marijuana, and the possession of drug paraphernalia, will not be tolerated on this property or any other properties of Michigan Crossroads Council or the Boy Scouts of America. Violation of this policy will result in immediate removal from this property (with no refund) and/or legal prosecution. While the proper use of prescribed medication by a patient under the care of a physician is permitted, such prescription medications must be dispensed by the Camp Health Director or the designated Unit Leader in your site in accordance with the rules of the Boy Scouts of America. Gerber Scout Reservation is a “Drug and Alcohol Free Zone.” FOR PURPOSES OF THIS POLICY, MARIJUANA IS AN ILLEGAL DRUG AND IS NOT A PRESCRIBED MEDICATION.

2-Deep Leadership and Youth Protection (continued)

Age-appropriate and separate accommodations for adults and Scouts are required.

**Tenting**: No adult may share a tent with a person of the opposite sex unless he or she is that adult’s spouse. No youth may share a tent with an adult or a person of the opposite sex other than a family member or guardian. Assigning youth members more than two years apart in age to sleep in the same tent should be avoided unless the youth are relatives.

**Shower Facilities**: Whenever possible, separate shower and latrine facilities should be provided for male/female adults and male/female youth. If separate facilities are not available, separate shower times should be scheduled and posted.

The buddy system should be used at all times. The buddy system is a safety measure for all Scouting activities. Buddies should know and be comfortable with each other. Self-selection with no more than two years age or significant differences in maturity should be strongly encouraged. When necessary, a buddy team may consist of three Scouts. No youth should be forced into or made to feel uncomfortable by a buddy assignment.

Privacy of youth is respected. Adult leaders and youth must respect each other’s privacy, especially in situations such as changing clothes and taking showers at camp. Adults may enter youth changing or showering areas only to the extent that health and safety requires. Adults must protect their own privacy in similar situations.

Inappropriate use of smart phones, cameras, imaging, or digital devices is prohibited. Although most Scouts and leaders use cameras and other imaging devices responsibly, it is easy to unintentionally or inadvertently invade the privacy of other individuals with such devices. The use of any device capable of recording or transmitting visual images in or near shower houses, restrooms, or other areas where privacy is expected is inappropriate.

**No secret organizations.** The BSA does not recognize any secret organizations as part of its program. All aspects of the Scouting program are open to observation by parents and leaders.

**Discipline must be constructive.** Discipline used in Scouting must be constructive and reflect Scouting’s values. Corporal punishment is never permitted. Disciplinary activities involving isolation, humiliation, or ridicule are prohibited. Examples of positive discipline include verbal praise and high fives.

**Appropriate attire is required for all activities.** Proper clothing for activities is required. While doing aquatics activities, boys should be in swim shorts (no tight fitting, no speedo) and girls should be in one piece suits (no tankini, bikini, shorts and t-shirt, etc.).

**No hazing.** Hazing and initiations are prohibited and may not be included as part of any Scouting activity.

**No bullying.** Verbal, physical, and cyberbullying are prohibited in Scouting.

**Mandatory Reporting of Child Abuse.** All persons involved in Scouting must report to local authorities any good-faith suspicion or belief that any child is or has been physically or sexually abused, physically or emotionally neglected, exposed to any form of violence or threat, exposed to any form of sexual exploitation including the possession, manufacture, or distribution of child pornography, online solicitation, enticement, or showing of obscene material. This duty cannot be delegated to any other person.

Immediately notify the Camp Director of this report, or of any violation of BSA’s Youth Protection policies, so he or she may take appropriate action for the safety of our Scouts, make appropriate notifications, and follow up with investigating agencies. **Insurance** - The Council has a general liability insurance policy for the protection of all BSA registered leaders who comply with BSA rules and regulations. All out-of-council units must provide proof of unit accident and general liability insurance.

**Scout Leaving Early** - If a Scout needs to leave camp early their guardian or an approved person designated on their health form by a guardian must fill out a Scout Release Request. These can be downloaded in advance and filled out before coming to camp. They are also available from the office. All Scout releases must be done in person at the office or Health Lodge if after normal hours. The approved person must have a photo ID and the form must be completely filled out before the Scout can leave the property. If a Scout leaves the property and this form is not on file the Police will be contacted to verify that the Scout is safe and with a guardian.

**Damaged Equipment** - Betty Ford Adventureland puts a very high value on its program and camp equipment. Any damage to camp owned equipment through negligence or abuse will be the sole responsibility of the unit. Replacement will be valued at the cost to replace the damaged item. Payment must be made before leaving camp. Help make our camp equipment last.

**Letters of Thanks** - The Michigan Crossroads Council is proud to send a letter to your employer, company, and/or family telling them about your leadership in Scouting and how it is important in the lives of your Scouts. You may request this Thank You Letter from the Camp Leadership Team. We encourage all of our “in camp” leaders to provide us with their information so we may send our Thank You Letter.

**Staff Areas** - No Scout, leader, or parent is allowed in staff areas at any time. Staff areas are for staff members only, unless special permission is granted by the Camp Director.

**BSA Annual Health and Medical Record** - This form can be found at [https://filestore.scouting.org/filestore/HealthSafety/pdf/680-001_ABC.pdf](https://filestore.scouting.org/filestore/HealthSafety/pdf/680-001_ABC.pdf). BSA’s health form includes a personal health history, which is essential should a Scout or leader become ill at camp. Be sure it is completely filled out with all required signatures and submitted on time. The Health Form’s front page requires a listing of the people whom a Scout can be released from camp. By State Law, without this authorization the Scout can only be released to his Pack leader or the parent who signed this form.

Due to State Law, we must keep your health form on file for three years. This means we cannot give your copy back to you after your week is over. Keep your originals and send us a copy to avoid any issues. The Health History should have specific information about whom to contact and telephone numbers where these people may be contacted during the camp. The injured or ill Scout may not be able to provide this information.

The Boy Scouts of America requires that anyone participating in a camping experience longer than 72 hours must have a medical evaluation by a licensed physician, physician’s assistant or a nurse practitioner. The current version of the National BSA Health form is valid through the end of the 12th month from the date it was administered by your medical provider. For example, a physical administered March 2019, would be valid until February 2020. This form needs to be filled out completely. There must be a parent signature. If we do not have a signature, then your Scout will not be allowed to stay overnight on camp property. Note to adult leaders: Make sure you complete your Health Form, as well as have a DHS central registry clearance letter from your local DHS office. This is required by Michigan State law for adults age 21 and over. If you presented the DHS clearance form at an Michigan Crossroads Council camp in 2018, you are not required to submit it again, until notified.
