This was the inaugural year for female Scouts BSA members to attend resident camp. We were very excited to introduce these new Scouts to our camp programs and had a total of 222 YOUNG WOMEN attend Scouts BSA resident camp! Additionally, we had 134 FEMALE CUB SCOUTS attend resident camp programs this summer.

We employed over 400 STAFF MEMBERS across our camp properties, many of whom were young men and women. While working at camp, these young staff members gained real world employment experience and invaluable leadership, communication, and problem solving skills, all of which will help them become more successful in their future careers.

FINAL THOUGHTS

Thank you for choosing me for the Campership award to help me go to scout camp this summer. I had a great time at camp. I got to do repelling from a big scary tower, swimming, kayaking and lots of other fun stuff. My favorite activity was climbing/repelling. I was too scared to do it, but the instructor was awarene and he talked me through it. I'm really glad I got to go. You're the Best.

This was our first time here (Gerber Scout Reservation) and we will all definitely be back. The staff is amazing so full of energy and fun things to do. They have made a huge impact on these kids. Thank you for all you do!

-Scout Mom

I want to say thank you! Our Troop had a fantastic time at Cole Canoe Base this year, their first time with you and I can't tell you all the happy news they had to share! It's been a very long time since they have come home from summer camp with such excitement. They've already reserved their spot for next year. They were fed well, cared for, enjoyed their merit badge counselors and had FUN!
