#### The 10 Experience Requirements are listed below. Only 3 are needed to complete Requirement 5.

1. Host an international Scout or unit at a local Council camp and plan activities to help you learn about Scouting in their country. \*Please note that hosting in private homes is not considered an official Scouting activity.

2. Learn about another country and prepare a dinner traditionally served there. Explain what you learned to friends or family over the meal. (*This could be a meal at home or a Scout family potluck.*)

3. Participate in a World Scout Jamboree, international camporee, or another international Scouting event. Share the experience with your unit or at a district roundtable. (*According to International Department BSA, If a Scout participates in 2 different Jamborees on the Air or Jamborees on the Internet or 1 Jamboree on the Air and 1 Jamboree on the Internet, one can be used to satisfy International Spirit Award Requirement 3 and the other can be used to satisfy Experience Requirement 3. Participation in a weekend BSA - Scouts Canada camporee, the Michigan International Camporee, or Michigan International Camporee Visitors Day can be used to satisfy Experience Requirement 3.*)

4. Take a trip to another country as an individual or with your family or Scouting unit. Make sure to visit a Scouting event or unit in that country. When you return home, share your experience with another unit. (*Participation in a weekend camporee in Canada can be used to satisfy either Experience Requirement 3 or Experience Requirement 4. If you do it two times, one can be used to for Experience Requirement 3 and the other can be used for Experience Requirement 4.*)

(*Each Scout could select a different country and report at a meeting or the Scout family potluck mentioned above. Countries that have International Campfire Talks at <u>https://www.scouting.org/international/events/international-campfire-talks/</u> work well.)* 

8. Contact your local council's international representative and assist them with at least two items they need help with promoting.

9. Research the process of obtaining a U.S. passport. Create a fact sheet for your unit or district to assist them with requirements for traveling internationally.

10. Research a region of the World Organization of the Scout Movement. Make a presentation at a unit meeting or district roundtable. (*Go to <u>https://www.scout.org/</u> and click on REGIONS under WORLD. Scouts could select different regions. The reports could be at a meeting or the Scout family potluck mentioned above*)
