A MESSAGE FROM THE COUNCIL LEADERSHIP

In true Scout fashion, the Michigan Crossroads Council responded to the obstacles of 2021 by utilizing the creativity and dedication of volunteers and staff to deliver a safe, high-quality Scouting experience.

During 2021, the Michigan Crossroads Council resumed in-person meetings and activities that included a safe summer camp season, a much-needed successful fall membership campaign, a robust popcorn sale and an impressive amount of community service. Each of these areas required an incredible amount of time and energy by thousands and thousands of local volunteers and the contents of this annual report will reveal what an incredible job they did.

On behalf of the Michigan Crossroads Council Executive Board, we would like to thank you for your continued support of Scouting. Your commitment of time, talent and treasure have ensured Scouting in our Council is available, active, and making a positive difference in the lives of youth and families.

Scouting helps youth move from their best “right now” self to their best future self by building things, making friends, working together, setting goals and achieving them. These life-changing experiences - and the confidence they provide - form a foundation that lets them embrace the opportunity and overcome obstacles.
