Note: Reservation window is May 1 – Apr 30. The next year opens on May 1 of each year.

Creating a New Reservation

- 1. Go to the MCC Facility Rental page https://michiganscouting.org/facility-rental/
- 2. Determine the type of rental that you are (MCC Unit or Out-of-Council Scout Unit), and then choose the camp you would like to reserve at. Click on either the icon for the camp or the wording below. NOTE: For Non-Member/Outside Groups, please click the MITTEN icon to be taken to our Outside Group website to book your reservation.

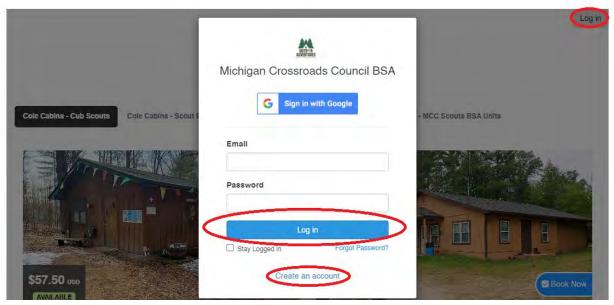

Businesses, families, and other groups that are looking to host a special event in an outdoor setting can visit our

Mitten Outdoor Adventures & Events site to book their next gathering.

3. You will be taken to the reservation page for that camp. If you have previously created a login or made a reservation, make sure to click the "Log in" button. By having a login, you can easily view, modify and cancel your reservations. NOTE: This login is COMPLETELY SEPARATE from

any existing Scouting logins that you have.

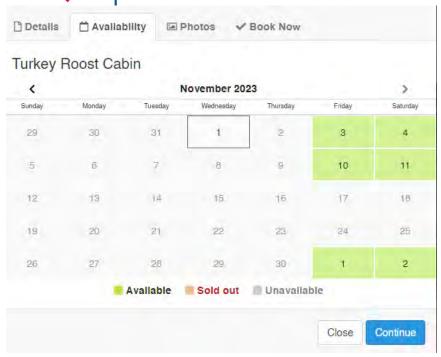

- 4. Choose the start date (Friday night*) that you are interested in. * All Scout reservations are for Friday Sunday morning. You must book at least 3 days in advance of your preferred date.
- 5. Choose the type of facility you are looking to rent Campsite, Cabin and/or Program Space. The categories are listed right underneath the date picker.

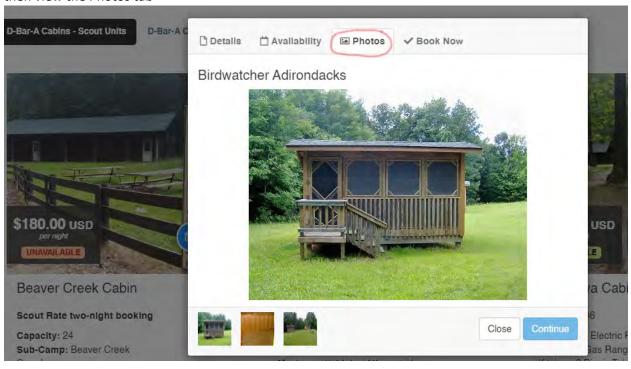

6. Choose the facility you are interested in. The price shown is for one night. Some cabins will also include in that price a utility fee during the winter months. Any facility that is available on that date will have a "Book Now" button on it; otherwise they will be shown as Sold Out or Unavailable. NOTE: Campsites will show no price for MCC Cub Packs and Scouts BSA – campsites are FREE for all MCC units. TIP: If you want a specific facility and want to find when it is available, click Book Now and you can then click the Availability tab to see when it is available:

TIP: If you would like to see additional photos, click the Book Now or Availability button and then view the Photos tab

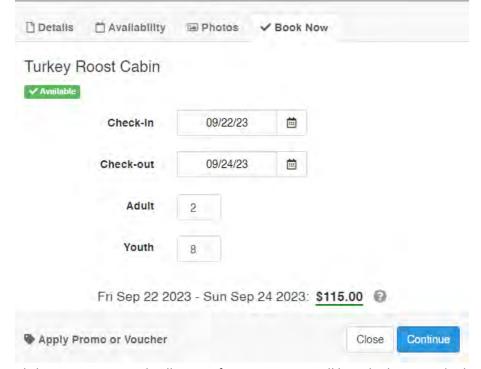

7. Click "Book Now" to start the booking process.

8. Set the tentative number of Adults and Youth. You will not be able to exceed the total capacity for the facility. REMEMBER: Always ensure you are Youth Protection Compliant!

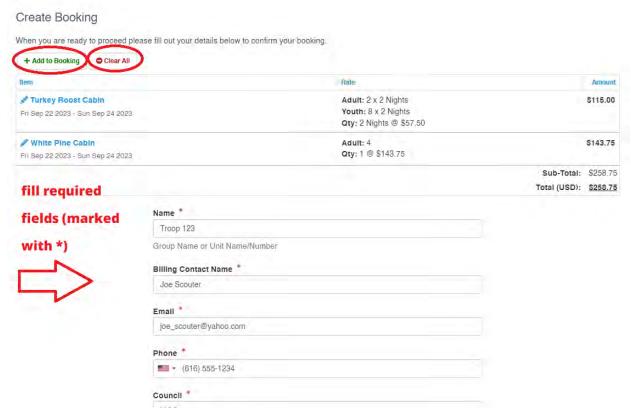

- 9. Click Continue. Provide all your information. You will be asked to provide the estimated number of adults and youth this may or may not be the same as the total you set on the cabin (you may have daytime attendees, or you may have multiple facilities).
- 10. If you decide you no longer want this facility, you can click "Clear All" at the top. You will be asked to click Confirm Clear to clear everything from your cart.

11. If you want to add additional facilities to the same reservation, click "Add to Booking" to return to the booking screen.

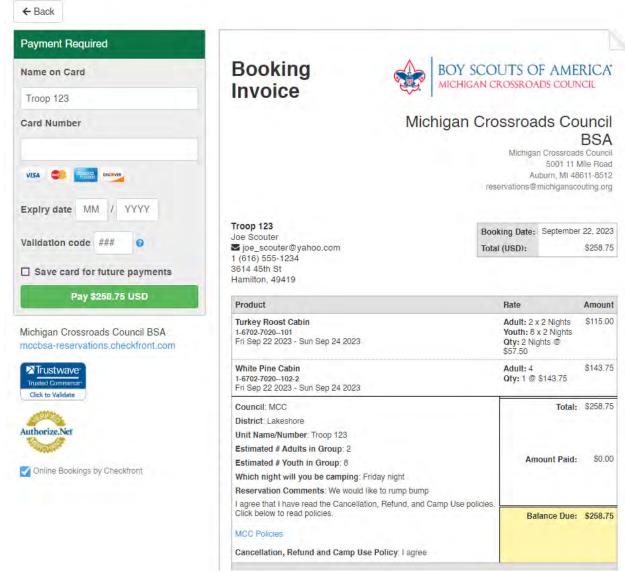

12. When your booking is complete, make sure to accept the <u>Cancelation, Refund, and Camp Use</u> <u>Policy</u>. Click **Continue**.

13. You will be taken to the payment and invoice page. You will be required to pay the full balance before the spot will be reserved.

If you have any questions, you can always email <u>reservations@michiganscouting.org</u> or the camp director (both should be in the emails that you receive).
