

REFILL ORDERS are for upcoming storefront sales that take place before you can receive additional product from your monthly order. They are to be placed by Sunday night at midnight and should be available for pickup mid-late the following week.

Receipts from the ACH payment system, an MCC office OR a unit check can be accepted at the warehouse as payment. If product has already been received, payment IS required at the time of final pickup and can be a post dated check: dated **December 2, 2024**.
