TRAINED CAMP STAFF

Our seasonal camp staff participate in extensive staff training before your arrival. In addition, specialized program area staff complete additional training as required by the BSA and State guidelines.

YOU'RE OUR CUSTOMER. PERIOD.

You're our customer and we take that very serious. We do everything we can to help you have the best summer camp experience and wanting to come back for more.

OUR MISSION

Our mission is to deliver the best summer camp adventure for your Scouts and family. We will do everything in our power to make your summer camp experience come alive.

CAMP STORE

What would a visit to camp be without bringing home some souvenirs and memorabilia from your camp experience. Our well-stocked Trading Post has t-shirts, sweatshirts, mugs, candy, soda, ice cream and more.

CAMP SCHOLARSHIPS

No Scout or family should be denied the opportunity to experience the great outdoor programs offered by the Michigan Crossroads Council due to lack of financial resources. Scholarships are available for our summer camping opportunities.

HEALTH FORM

Effective January 1, 2010 the only health form that we are allowed to accept is the BSA Annual Health & Medical Record. Please visit the following link for the current health form: <http://www.scouting.org/scoutsource/HealthandSafety/ahmr.aspx>

Parts A & B (both sides) MUST be completed including ALL required signatures for all campers - regardless of how long they will be in camp for. **Sports physicals and/or any other physical forms will not be accepted.** Participants arriving without the proper health form will be expected to complete the proper form at their expense to be able to remain in camp - no exceptions!

YOUTH PROTECTION & 2-DEEP LEADERSHIP

The Boy Scouts of America believes that its top priority is to protect the safety of children. The BSA has developed "Barriers to Abuse Within Scouting" that create safer environments for young people involved in Scouting activities. All Scout leaders must comply with these policies. Violations of these policies put Scouts at risk and will result in disciplinary action, including expulsion from camp and revocation of membership. All camp staff members are required to understand these policies and report any suspected violations as directed by the Camp Director.

PERSONAL EQUIPMENT

All of our MCC Camps provide adequate equipment to serve your unit's shooting sports, climbing, and other program needs. All personal equipment should be left at home and not brought with you to camp.

Tents and sleeping equipment are not provided.

ADVANCEMENT AT CAMP

The major intent of the Cub Camping Program is fun! Cubs will also learn while enjoying themselves. **The camp staff does not keep track of Cub advancement in camp.** Camp staff will instruct related skills while your unit leadership keeps track of any advancement in camp.

During check-in your unit leader will be provided with an advancement tracking sheet. Your Pack has the option of accepting recommended achievements.

PROGRAM CHANGES

Cub Camp is beginning an exciting change in program this summer, each scout has ample opportunity to participate in a wide range of activities, while having time to continue pursuing their advancement. This rotation will provide a new experience and variety of activities, pins, and badges for scouts to participate in and complete each summer.

Thunder in the distance? Not to worry! Another addition to Cub Camp is our Rainy-Day Program. In the event of rain or inclement weather, we will be offering Scouts will have plenty of fun activities to keep them busy, rain or shine!

Physical violence, sexual activity, emotional abuse, spiritual abuse, unauthorized weapons, hazing, discrimination, harassment, initiation rites, bullying, cyberbullying, theft, verbal insults, drugs, alcohol, and pornography have no place in the Scouting program and may result in revocation of membership. For more information, please see the BSA's Guide to Safe Scouting and Youth Protection resources.

PLANNING FOR CAMP

When you and your Scouts arrive at camp, you'll find a staff that is ready, willing, and able to assist you with your week's program. The staff is there, not to lead your unit - that's your privilege as a Scout leader or parent - provide assistance in the form of leading programs, providing backup service, and to give the Scouts a role model. For Wilderness Explorer Programs, trained staff will be there as the primary leadership.

Pack everything into an easy-to-carry pack, duffel bag or suitcase. Bring ample clothing for your experience. Remember to plan for the possibility of rain.
