Actual Customer Testimonials

Have found everything that I was looking for so far.

We needed awards for our Court of Honor quite quickly and they were mailed the same day that I placed the order. I received the order in time for the Court of Honor. It was most appreciated.

It was quick and easy to order what I needed.

I think the selection is exactly what I need!

Great improvement loaded with features. Did a practice Scoutbook upload with close to 200 items and took about 2 minutes and worked flawlessly. Great Job Michigan Crossroads Council, Boy Scouts of America on making a huge improvement and saving volunteers time.

Tax Exempt Units - Overview

For those units that are chartered by a 501c3 organization, you may be able to apply for Tax Exempt status. Someone from your Charter Org needs to complete the form (see the shop homepage) and submit via the online link. Once approved, you can use your tax exempt status right on the online shop.

NOTE: Each account that needs to use it will need to submit the paperwork.

MCC Shop – Tax Exempt Status

As a customer, if your unit is chartered by a tax-exempt entity, you are considered tax exempt as well. This allows you to purchase awards and gear for the UNIT without Michigan sales tax. You will need to initially request via the online process tax-exempt status from the MCC Shop (even if you already have it at another store). Once approved, you can choose to use that status on all of your orders.

Note: You can add items to your cart and let them sit while waiting for the status to be approved. Status should be granted within 1 business day.

Request Tax-exempt Status

In order to attain tax-exempt status, complete the tax-exempt status submission process.

1. Complete the [Michigan Sales and Use Tax Certificate of Exemption](#) form located on the right sidebar of the MCC Online Store.
2. Create an account on the [shop.michiganscouting.org](#) site. To do this, go to **My Account** in the top menu and choose **Register**, filling out the
