MY PERSONAL VISION AND MISSION STATEMENT

My vision is to empower and inspire young individuals to become responsible, confident, and compassionate leaders positively impacting their communities. By giving back to the Scouts, which gave me a foundation for how I carry myself through life, I aim to nurture future generations to live with integrity and purpose, guided by the principles of the Scout Oath and Law.

My mission is to contribute to Scouting America’s legacy by providing meaningful opportunities for youth in my area to gain passion, knowledge, mentorship, learning opportunities, and to encourage the development of essential life skills, as I was able to in scouts. I have dedicated myself to helping the organization grow, as a faithful steward of my area.
