Updating your Unit's Scout Roster

If you need to add Scouts

As the leader you can use the 'Invite your Scouts' feature, or Scouts can self-register with their Unit Code.

- Invite Scouts Email
- Share Unit Code

If you need to remove Scouts. Go to 'Unit Info' then 'Scout Roster'. Locate the Scout in the list and select 'Remove' under the 'Actions' column on the right.

If you need to move Scouts

- Go to 'Unit Info' then 'Scout Roster'
- Locate the Scout in the list and select 'Move' under 'Actions' column on the right.
- Removing a Scout from your roster will not delete their account from the system; it will just remove it from your unit. The Scout will be prompted to select their new unit when they log in.
